

BSC DEGREE

ACCA and Oxford Brookes University have worked together to develop a BSc in Applied Accounting, which is available exclusively to ACCA students who wish to obtain a degree while studying towards the ACCA Qualification.

There are numerous benefits to completing the degree. Not least because a degree and a professional accounting qualification are a powerful combination of qualifications to have, putting you in demand with employers and increasing your career prospects. But don't just take our word for it. Visit [myACCA](#) to view a short video to find out what some of our students and members have to say about their experiences of completing the degree.

This section contains further information and resources for the BSc (Hons) in Applied Accounting. Click on an area to find out more about Oxford Brookes University, eligibility, learning aims and outcomes, assessment criteria, and submission periods.

All the information on the BSc degree programme can also be found in the Oxford Brookes University information pack which can be found in the related documents section and downloaded.
