

Introduction to the UKRLP

The UK Register of Learning Providers is a 'one-stop' portal to be used by government departments, agencies, learners, and employers to share key information about learning providers. The UKRLP allows providers to update their information in one place and share this across agencies such as the Skills Funding Agency, the Higher Education Statistics Agency (HESA), the Higher Education Funding Council for England (HEFCE) and UCAS.

Since provider registration opened on 1st August 2005, the UKRLP has grown to over 25,000 providers. Each of these has been verified against a recognised external source and has been allocated a UK Provider Reference Number (UKPRN). This is the unique identifier used to share information with the UKRLP partner agencies.
