# Welcome to the

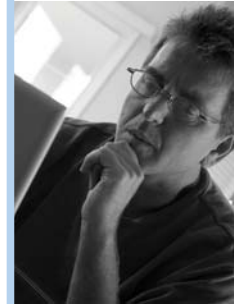

# RMJPI LONDON BUSINESS ACADEMY

**We provide marketing, management, business and financial training programmes for small medium size and start up businesses specialising in Corporate Training, Professional Training and Freelance Training. We are regulated and accredited by various British and International Institutions as a tuition provider of several professional and academic programmes.**

We also act as agent and are affiliated to several British and International institutions. We cater for a diverse range of learners offering both student centred learning strategies and easy access programmes on e-learning, part time, evenings and weekend basis. We differentiate our courses by providing small group interactive seminar style lectures specifically designed to get student's involvement and participation. Lecturers are equally trained to motivate and bring the best out of students with one to one tuition.

Our intensive revision classes for ACCA, CIM and CIMA are designed to produce real examination successes with intensive practice and feedback sessions from qualified lecturers and markers. Our students comes from several financial companies and the general public. Whatever your requirements and training needs you can rest assured that RMJ Promotions International – Business Academy can help. We have years of experience, a strong network and a professional team to assist with training programmes for today's turbulent and highly competitive business environment.
