

The RMJ Promotions International Professional Training programme offers a convenient, affordable and flexible study mode for students with varying degree of personal commitments and restrictions. We offer a number of training programmes in partnership alliance with several London based study centres and Institutes. Our programmes include both professional and academic courses taught over three to five day sessions, part time evening and residential weekend modes. Don't waste a whole academic year waiting for the traditional 'September' start date. Kick start your professional study programme today. Train for the future in marketing, management, accounting, Business Administration and lots more. Our consultants are on standby to advise you on suitable entry requirements and other matters.

Course Programme Key Benefits:
